

WHISPERS

Al Bouchard recognized beginning in the mid 1970s that, at times, thoughts would crowd into his head and would not leave him until he had written the words on paper. He soon learned that the words he wrote down were messages to be shared with others. He calls these messages 'Whispers'. Individual Whispers may be used free in articles, greeting cards, bookmarks, or other printed matter providing the copyright notice below is placed at the end of each Whisper. Love yourself always.

Whispers

ACKNOWLEDGE

How did we know each other
These many lifetimes past

How long a search for meaning
As though each lifetime
Was the total of who we are

How long it took us to let go
Live fully in the eternal now
And acknowledge
The divinity we are

ANGEL CHORUS

An angel chorus sung in heaven
Combines in soft melody
With an angel chorus of the earth

One listens for the other
One blends with another
Harmony ascends, descends

Hear one another
Honor one another
Create PEACE on earth

Whispers

ANGEL SOUL

I am
An earth expression
Of SPIRIT
An Angel Soul
In human body
Believing myself
Separate from SPIRIT

With each passing moment
This veil of separation
Thins more and more
Allowing me to explore
My connection
With others
With all earth wonders
With All That Is

An expression
Of SPIRIT
Am I
Now and evermore

AURIC LIGHT

Each of us has our being
Within a unique aura
In the fabric of SPIRIT
The Universal Auric Light

ANGELS OF LIGHT

Angels of Light
Brighten all earth shadows
Angels of Light
Emerge

Angels of clear radiance
Open all portals
Of peaceful coexistence
Angels of Light
Emerge

Angels of all radiant hues
Manifest greater understanding
Of earth's vast plenties
Angels of Light
Emerge

All Beings of earth
Cast off shackles of separation
Attune to your angelic nature
Angels of Light
Emerge

Angels garbed in human form
From all boundaries break free
Anchored in fervent unity
Angels of Light
Emerge

Angels of joy, love, compassion
Eliminate shadows that none may hide
To harm or deny another
Angels of Light
Emerge

Angels of cooperation
Release dominance, fear, aggression
In all its forms
Angels of Light
Emerge

Emerge Angel of Light

INNER GUIDANCE

Within myself
All answers are

Spiritual guides
Evoke the answers
From my soul self
The splinter of
Divinity I am

To joggle my inner sense
A question posed
Before meditation or
Easing into dreamland
Triggers symbols
I can decode
For personal guidance
